Claim Procedure Guide

Document type: Claim procedure guide

Plain-language guide compiled from the Policy Wordings. For the binding wording, refer to the Policy Wordings document.

1. Who settles claims and how to tell the insurer

• Domestic claims are settled by the insurer's in-house claims team. No TPA is engaged, although the insurer may engage one at any time at its sole discretion.

• Notify the insurer in writing. For emergency hospitalization, inform within 48 hours of hospitalization for reimbursement claims (the cashless route needs notice within 24 hours, see the Cashless Hospitalization Guide). For planned hospitalization, inform 48 hours before admission.

• Waiver of the notice and 30-day filing deadlines may be considered only in extreme cases of hardship where it is proved that notice or filing was not possible in the circumstances.

2. Domestic reimbursement claim: steps

• Step 1: Inform the insurer in writing within the time limits above.

• Step 2: Consult a Medical Practitioner immediately and follow the treatment advised.

• Step 3: Take reasonable steps to minimise the amount of the claim.

• Step 4: Get examined by the insurer's medical advisers, at the insurer's cost, if asked.

• Step 5: Submit the claim documents within 30 days of discharge from the hospital.

• Step 6: If the insured dies, the person claiming must inform the insurer in writing immediately and send a copy of any post mortem report within 30 days.

Reimbursement applies when pre-authorisation was denied, when treatment is taken at a non-network hospital, or when you do not wish to use the cashless facility.

3. List of claim documents (domestic)

• Claim form with NEFT details and cancelled cheque, duly signed by the insured.

• Original or attested copies of the Discharge Summary / Discharge Certificate / Death Summary with surgical and anaesthesia notes.

• Attested copies of indoor case papers, if available.

• Original or attested copies of the final hospital bill with break-up of surgical charges, surgeon's fees, OT charges etc.

• Original paid receipt against the final hospital bill.

• Original bills for investigations and laboratory bills, and original or attested investigation reports.

• Original bills and receipts for transport by a registered ambulance service provider, and the treating Medical Practitioner's certificate for transfer to a higher medical centre (if applicable).

• Cashless settlement letter or other company settlement letter.

• First consultation letter for the current ailment.

• In case of implant surgery, the invoice and sticker.

• If the original documents are with a co-insurer: attested photocopies with a declaration from that insurer saying it holds the originals.

Documents are to be sent to Bajaj Allianz General Insurance Company Ltd, 2nd Floor, Bajaj Finserv Building, Behind Weikfield IT Park, Off Nagar Road, Viman Nagar, Pune 411014. Toll free: 1800-103-2529 and 1800-22-5858.

4. Claim settlement timelines and interest (Section E, clause 3)

• The insurer must settle or reject a claim within 30 days of receiving the last necessary document.

• If the claim needs investigation, the investigation must be started and completed within 30 days of the last necessary document, and the claim settled or rejected within 45 days.

• For delay beyond these limits, the insurer pays interest at 2 percent above the bank rate (the RBI rate at the start of the financial year in which the claim fell due), from the date of the last necessary document to the date of payment.

5. Basis of payment and other claim rules

• Domestic payments are made in Indian Rupees only, for treatment within India only.

• A relapse within 45 days of last treatment or consultation, for which a claim was made, is treated as part of the same claim (Any one Illness).

• Day care procedures in Annexure I are subject to the policy exclusions and are not independent coverage.

• Payment is made to the insured or the nominee; if there is no nominee, to the heir, executor or legal representative.

• Non-medical items listed in Annexure II (for example telephone, laundry, television, attendant charges, certificate and photocopy charges) are not payable.

• A doctor's fee for completing a claim form is excluded.

• Fraud: all benefits and premium can be forfeited, and amounts already paid must be repaid.

• Multiple policies: the insured may choose which policy to claim under and may claim disallowed amounts under this policy, subject to its terms.

6. International cover claims: key rules (Section E, clause 45A)

• Submit all claims within 30 days of discharge from hospital.

• Submit a separate claim for each person and for each medical condition.

• Keep original receipts; the insurer may ask for originals for audit up to 12 months after settling the claim, and may ask for proof of payment such as a bank or card statement.

• If a claim is smaller than the deductible, you can still send each claim; reimbursement starts once the deductible amount is reached.

• Specify the currency you wish to be paid in; if conversion is needed the insurer uses the exchange rate on the date of invoice or the date of payment, at its choice.

• Only reasonable and customary costs are reimbursed.

• Deposits paid in advance are reimbursed only after treatment, when the deposit was deducted from the final bill.

• Claim out-patient, dental and other expenses that need no pre-approval by paying the provider, getting an invoice (name, treatment dates, diagnosis, onset date, treatment and fees) and submitting it through the insurer's online portal or app.

7. If your claim is rejected or delayed: grievance route

• Level 1: toll free 1800-209-5858 or 020-30305858, WhatsApp +91 7507245858, or email bagichelp@bajajallianz.co.in (senior citizens: seniorcitizen@bajajallianz.co.in).

• Level 2: Grievance Redressal Officer, ggro@bajajallianz.co.in.

• Level 3: missed call on +91 80809 45060 or SMS to 575758 for a call back from a care specialist.

• Then the Insurance Ombudsman (offices and jurisdictions are listed in the Policy Wordings), and the IRDAI Integrated Grievance Management System.

• Arbitration: disputes only on the amount payable go to arbitration seated in Pune. If a claim is repudiated and no court proceeding is started within 12 calendar months, benefits are forfeited (Section E, clause 52).

Source: Section E clauses 3, 5, 6, 25, 26, 44, 45, 52 and 53 and Annexure II of the Policy Wordings (UIN BAJHLIP23020V012223).
